

What **Birdie**[®] can do for your company

Corporate Identity

Do you want your corporate logo embroidered or silk screened on the jacket? Do you have a company emblem to be sewed on? **BIRDIE**[®] has the ability to do any of these things and, to carry identification to its ultimate conclusion, we can personalize each garment for the individual, the location, or both.

Complete Fulfillment

Our office is completely automated. This enables us to make individual drop shipments, make mailing lists for our clients and, among other things, give accurate delivery information.

Deliveries

Our warehouse contains over 300,000 units of merchandise in stock. Most orders are delivered within a short time after we receive them. Those orders calling for some form of personalization require an additional period of time.

Styling

Over 70 styles, some in 17 different colors, are stocked in our warehouse. We can, therefore, be of full service to your clients. **BIRDIE**[®] can also customize your garments — for the client who needs that extra touch.

Service

With knowledgeable representation nationwide **BIRDIE**[®] continues to grow with new styles, stronger services and new warehouses. Our people are trained to help and advise you in setting up programs that will reflect favorably on you and your company.
